## THE SHADING EXPERTS FOR DESIGNERS BY DESIGNERS

Founded in 2014, Shades by Design is an Inc. 5000 leader with offices in Miami, Palm Beach, and New York, specializing in high-end interior and exterior shading solutions. Serving clients across the U.S., Latin America, and the Caribbean, we prioritize environmentally conscious design and client satisfaction. Our expert team collaborates with industry partners to deliver energy-efficient, aesthetically superior solutions. Whether enhancing comfort in commercial spaces or creating personalized residential sanctuaries, we ensure every project balances function, style, and sustainability.

We offer architects, contractors, and interior designers:

- Trade Discounts
- Volume Pricing
- Permitting & Processing
- Warranties & Maintenance
- End-to-End Support
- In-house Architects & Designers
- Customized Presentations
- Innovative Eco-Conscious Products

## OUR GOAL IS ZERO ENVIRONMENTAL IMPACT

The shift toward sustainability is here, driven by informed consumers who expect it in both residential and commercial spaces. As designers serving fellow designers, we are committed to providing products that benefit both your clients and the planet, all while supporting your bottom line. For decades, brands like Hunter Douglas, Somfy, Renson, and Crestron have pioneered sustainability through innovative products and technology. With their products and our expertise in design, permitting, and installation, we can help you offer solutions that convey your commitment towards designing more eco-friendly, comfortable homes, hotels and offices.

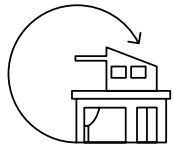

### IMPACT

Working towards zero waste and zero impact through eco-friendly principles.

### PARTNERS

Fostering partnerships with manufactures and designers who also prioritize eco-principles.

### PRODUCTS

Offering a diverse line of responsible, innovative products created for zero impact.

## INNOVATION, CUSTOMIZATION AND DESIGN FOR TODAY'S MODERN NEEDS

How do you choose the best window treatment, the right outdoor material, or the perfect automation system? And how do you integrate it into the space you're designing? These are some of the questions our team at Shades by Design can help you answer. When you work with us, you'll collaborate with experts in our craft and products. We'll guide you through safety and compliance requirements, work with municipalities, provide expert installation, and seamlessly collaborate with your team to deliver the ideal bespoke solution for your project.

## AUTOMATION, ELEGANCE AND CONVENIENCE

Increased privacy, added convenience, better energy efficiency, enhanced security, and improved safety are just a few reasons why our products belong in modern homes, hotels, and other commercial spaces. Today's options and accessories are endless—from voice controls to automatic scheduling and power options, we eliminate the guesswork, allowing you to focus on what you do best.
